Forms of proposals and guarantee will be furnished upon application to this office, and none will be considered that do not conform thereto.

Proposals will be endorsed, "Proposals for Furnishing Army Supplies," and be addressed,

LIEUT. COL. D. H. VINTON,

Deputy Quartermaster General United States Army,

Boz 3,295 Post office. NOTICE.
NOTES AND BONDS.

PROPOSALS FOR FURNISHING UNITED STATES NOTES AND BONDS.

TRASSEN DEPARTMENT, Feb. 26, 1862.

Scaled proposals will be received at the office of the Secretary of the Treasury until Wednesday, the 5th day of March neat, for furnishing aimety millions of United States Notes and two hundred millions in Bonds, to be issued under the authority of the act of February, 1862, entitled "An act to authority the issue of United States Treasury notes, and for the redemption or refunding thereof," Ac.

Notes and bonds will be required of the denominations and to the proportions as follows:

Thirteen millions each of United States notes of the denominations of 8°s. 10°s. 20°s. 100°s and 200°s, and twelve millions of the denomination of 1,000.

OF REGISTERED BONDS.

Five millions of the denomination of 1,000.

Billeen do. do. 60. 1000.

600 sets hospital tent pares.
6,000 hospital tent pares.
10,000 hospital tent pins, large.
10,000 hospital tent pins, small.
All the above mentioned articles must conform in every respect to the scaled standard patierps in this office, where they may be examined and additional information received concerning theor.
The articles must be of domestic fabrication. Bids from manufacturers or regular dealers will be preferred, which must be made for and conform to such articles only, in quality and description, as are required by the aircritisation and the samples in this office; but otheracts will be awarded to the lowest responsible bidder who shall furnish satisfactory securities for the faithful performance thereof.

The manufacturers' establishment or dealers that the contracts will be a contracted to the contract will be a contracted to the contracts will be a contracted to the contract will be contracted to the contracted to the contract will be contracted to the contract will be contracted to the contract will be contracted to the contracte

siall be entered into within ten days after the acceptance of said bit or probosa.

Proposals will be received for any one of the articles separately, and for any portion of each.

The privilege is reserved by and for the United States of rejecting any proposals that may be deemed extravagant. All the articles must be delivered within twenty days after the acceptance of the proposals, except the Tenis and Teni Poles and Pins, or which one-quarter of the quantity contacted for must be delivered in twenty days, and the remainder in fifty days from date of acceptance, or sconer if practicable.

All articles will be subject to inspection by sworn inspectors, appointed by authority of the United States.

It is to be distinctly understood that contracts are not transferable without the consent of the proper authority; and having been obtained (except under a process of law, with the regarded as an abandoment of the confired, and the contractor, and his or their securities, will be held trapposable for all long or damage to the United States which may arise therefrom.

Payments will be nosde on each delivery should Congress

must be in the highest with or account of sheets and the aggregate representative value of each denomination which they undertake to furnish daily, and the least number of days required from natice of award before commencement of de

gate representative value of each denomination which they undertake to furnish daily, and the least number of days required from actice of award before commencement of delivery.

Models for notes and bonds must be submitted and specimens of work accommony them.

Models of notes on the face will be in the same form as now used, and on the backs will state the privilege of legal tender and other privileges stipplaned in the law.

Models of bonds will, in addition to the usual stipulations, have the statement that they are reimbursable after five and payable twenty vears from date.

It is also expected that/as far as practicable, the dies and niates will be such as have not been herefore used except for work of the United States.

Each proposal must be accompanied by a statement of the bidders' facilities for executing the work, the number of presses in use, hands cumployed, security of buildings occupied, and capital invested.

Proposals by unincorporated companies must be accompanied by a copy of charter and the names of the officers; and proposals by unincorporated associations by the articles of association and names of parties.

Bonds for the faithful and prompt execution of the work as proposed or finally agreed on in the sum of fifty thousand dollars will be required; the names of the parties offered assumes and their written consent to become such, together with a certificate of an Assistant Treasurer as to their sufficiency, must accomissany each proposal.

The Secutive of the Treasury reserves the right to reject any or all the bids, and to vary the smoonies specified, as in the opinion the interests of the public service may require.

SEALED PROPOSALS ARE INVITED TILL THE
John day of March, 1862, at 12 o'clock M., for supplying
the United States Subsistence Department with 6,000 head of
Beef Cattle on the noof.
The cattle to be delivered at Washington City, and each
animal to average 1,200 pounds gross weight; no saimal admitted which weighs less than 1,000 pounds gross.
The cattle to be delivered at such times and in such quantities as the government may require. No cattle will be required under this contract before the 1st day of April, 1802.
Helfers and bullocks not wanted.
A bond, with good and sufficient security, will be required.
Government reserves to itself the right to pay in Treasury
Botos. Riscellaneous.

The steamship Kangaroo, Capt McGuigan, sailed at noon yesterday for Queenatown and Liverpool.

Sur J Montrousury—The cargo between decks has been discharged. A steam pump and Ford's steam lighter are at work, and expect to have her pumped out this evening.
